

Amaze Health is available to you and your family as part of your benefits package. We provide many services and will never charge you for contacting us.

Consider us your healthcare partner!

Here are some of the ways you can use Amaze...

Virtual Urgent Care

We'll evaluate your situation and will often resolve the situation virtually, including writing prescriptions and ordering lab tests or imaging (like x-rays). If you need in person help, we'll help you decide where to go and will be with you when you do.

Chronic Medical Condition Management

Joint pain, high blood pressure, diabetes, weight loss, smoking cessation... we are here to help you get healthy and stay healthy. We provide virtual physicals, order lab tests, and coach you on how to manage any medical conditions. Call us for medication refills, answers to your most pressing questions, and for any help you need managing your health.

Basic Mental Health Services

We'll take the struggle out of finding mental health care by providing short-term support while helping find resources in your area, and within your budget.

Health & Wellness Support

We can help you lose weight, quit smoking, or simply improve your diet and exercise routine. Through weekly newsletters, online assessments, and our digital education center, you will continuously learn the best ways to manage your health.
